September 26, 2013

9:45 AM

Members Present: J. Auxer, GT Schramm, Meredith Wait, Lori Robertson., Chief Ransom, Dave Springer, Theresa Conchar, Frank Welch

Guests Present: Ms. Franklin from Sky Truth

The agenda and minutes of the previous meeting were approved.

Meeting was called to order at 9:50 AM by Mayor Auxer.

I. Appeals

A. Sky Truth who is operating a business at the Corner of Washington and Duke Streets requested an additional Employee Pass. It was recommended that they speak with John Christman about parking behind his building next door. The Mayor will work on this with them. If that cannot work, a pass will be issued.

B. Betty Roberts of 201 East German Street requested that Residential Parking be expanded to include her property. Her neighbors will be surveyed to determine if that neighborhood wants it.

II. New Business

A. Mr. Rosen had researched and suggested that the Town investigate the use of a Parkmobile system, a mobile payment alternative for parking. After discussion the committee was asked to send any questions to the Town Clerk. It was also suggested that the kiosk system be investigated again for pricing and feasibility as a way to replace parking meters and 90 minute parking.

The meeting was adjourned at 10:30 AM.

Respectfully submitted,

GT Schramm
