PARKING COMMITTEE MINUTES

May 22, 2014

9:45 AM

Members Present: J. Auxer, GT Schramm, Lori Robertson., Theresa Conchar, Frank Welch, Chief Ransom

Guests Present: Pam Berry

Meeting was called to order at 9:50 AM by Mayor Auxer.

I. The Agenda and minutes of the last meeting were approved.

II. Old Business

Parkmobile seems to be going well even with a couple of glitches. We will monitor the use of 90 minute spaces to see if the remote increasing of time is desirable. The Parkeon Kiosk people have provided pricing in various forms. We still need to contact other municipalities and review the finances.

III. New Business

1. The Parking Permit Renewal process will proceed as it has in the past couple of years. Advertising will begin soon. The cost of permits can be prorated.
2. Loading Zones were discussed. All zones need to be uniform in terms of signage and clear times need to be established. Theresa will check with other municipalities about their practices and the Chief will research WV Code

The meeting was adjourned at 10:55 AM.

Respectfully submitted,

GT Schramm
