

# DRAFT MINUTES

## Public Works Minutes

February 24, 2014

9:50 a.m.

Town Hall (104 North King Street)

Members Present: David Springer, Bane Schill – Staff – Frank Welch, Kenny Shipley

Visitors: Karene Motivan

**Agenda Item 1:** David Springer called the February 24, 2014 Public Works Committee meeting to order at 9:50 a.m.

**Agenda Item 2: Minutes – Moved by Bane Schill, Unanimously Approved.**

### New Business:

**Agenda Item 3: West High Street Drainage** – Karene Motivan addressed a problem on High St. with water drainage and a driveway washing out beside her property. Water also lies on Sherry Brown's sidewalk causing a hazard when it is frozen. Karene had hand-outs outlining a solution to the problem. Kenny Shipley also discussed some fixes that Gull Corp. and he had discussed. It was determined that Sherry Brown's sidewalk was too low and might have to be raised.

**Moved by David Springer to seek engineering help on this problem. Kenny Shipley will talk to Chapman Technical Group and get their advice.**

### Old Business:

**Agenda Item 4: E. New St. milling and paving:** This is in the hands of Chapman Technical. Surveying work will be done when the weather allows.

**Agenda Item 5:** Bane Schill has applied for a government grant for storm water management.

**Agenda Item 6: Storm water Ordinance:** The Town will get hold of Matt Pennington with Region 9 and get copies of other agencies ordinances.

**Agenda Item 7: German St. Drainage:** A request was made by two building owners on German St. to drain water from between their buildings to German St. It was determined by the committee that they will have to construct a wider drain to handle the water. This work will be monitored by the Town.

**Agenda Item 8: Moved by David Springer, Seconded by Bane Schill to adjourn meeting. Unanimously Approved. Meeting adjourned at 11:10 a.m.**
