1. Call to order – 10:05 a.m.
2. Sidewalk Maintenance.
 - a) Reviewed the status of the sidewalk issues that have begun to be addressed thru the issuance of letters from the Town to the owners. It was decided that the Town should issue certified letters to any owners who have not responded by September 15.
 - b) Discussed possible ways that the Town could work with owners to incentivize them to fix their sidewalks. Decided to put items onto the next Public Works and Finance committee agendas to further that discussion.
3. Adjourn – 10:57

Respectfully submitted,
J. Ford
