

# Shepherdstown RECYCLES

## Glass Bottles and Jars

**YES** Clear, green, and brown bottles and jars are acceptable. Food and beverage containers only. Discard lids and caps, rinse clean. Labels and neck rings are OK.

**NO** Plastic bags, plate glass, drinking glasses, crystal, Pyrex, light bulbs, medicine bottles, ceramics, bottles containing hazardous products, like cleaning supplies, canning jars, wire caps, lids.

## Metal Food and Beverage Cans

**YES** Rinse clean, place metal lids inside can and pinch top together. Labels are OK. Aerosol cans must be empty—dispose of caps.

**NO** Plastic bags, food residue, pesticide cans, syringes, gas, or propane containers.

## #1 and #2 Plastic Bottles Jugs

**YES** #1 and #2 narrow-necked household bottles and jugs. Household products, beverage and food containers. Top openings must be smaller than base. Discard lids and caps. Rinse clean, flatten if possible. Labels and neck rings are OK.

**NO** Wide-mouth stackable containers (yogurt-type), no take-out containers, microwave trays, lids, toys, pails, six-pack rings, pesticide containers, automotive oil-based product bottles, #3 through #7 plastics, or plastic bags. No Styrofoam. Do not tie jugs with string.

## Corrugated Cardboard and Boxboard

**YES** Multi-layer cartons and single-layer cardboard. Clean corrugated boxes, paper grocery bags, cereal, cracker, cake mix, pasta, shoe, and tissue boxes, and paper egg cartons. Remove plastic liners. Flatten boxboard. Pieces must be no larger than 4'x4'x1.5' for pickup. Stack neatly next to or in the recycling bin.

**NO** Wax- or plastic-coated boxes, wood, plastic, or string. No leftover food. No boxes from wet foods like ice cream, frozen foods, or take-out foods. No paper milk or juice cartons.

## Newspaper and Mixed Paper

**YES** Newspaper and mixed paper, including office paper. Do not put in plastic bags.

## Computers and Batteries

**NO** Used computers, computer equipment, and batteries will **not** currently be picked up for recycling. Plans are being made to include these items in the recycling pickup in the future.

**REDUCE RE-USE RECYCLE**
