Agenda Item 5: Train Station Drainage: We are still waiting for a reply from Dr. Donner (DNR)

New Business:

Agenda Item 6: DOH Items: 4-way stop – Quote was received from Gull Corp. for making the sidewalks surrounding the 4-way stop ADA compliant.

Agenda Item 7: Bridge Lights – Frank Welch will e-mail Ken Chlohan in order to get the price of the globes that are missing on the bridge.

Agenda Item 7: Streetscape Drainage: Will be looked at in the future.

Agenda Item 8: International Property Maintenance Code - Title 7: Much discussion took place about the attorney's comments. Bane Schill compared Title 7 revisions with the IPMC and found that they

were compatible with a few changes. It was decided that the corrections that the attorney made for the IPMC would be followed. (It was noted that the sections of the IPMC dealing with weeds and grass would have an **8" limit** inserted for the height of weeds and grass)

Moved by Jim Ford to incorporate the attorney's corrections into the Code. No objections.

Adjourn with no objections at 10:28 am.

Mayor's Report: None

Agenda Item 9: Meeting adjourned at 10:35 a.m. with no objections.
