UPDATE

d. Monarch Way Station – ribbon cutting July 2021. Weeding schedule.

e. HOLD - Suggestion to have Bartlett give us a quote to clear the bowl in Rumsey Park with a brush-cutter. Then plant a large White oak (red foliage in the fall) or a Chinkopin Oak and keep the bowl clear. Put a large circle around the tree for water to pool to keep it moist. Discuss. D. Rosen suggested another company – Viking Tree service – 304-988-5557.

f. Limb on E. New St. hanging over the sidewalk very low, needs cutting.  
Update.

g. 335 W. German St – Golden Raintree – removal - UPDATE.

UPDATE: Removal had to be postponed due to weather considerations.

h. 340 W. High St. – Silver Maple – to be removed in fall 2020 - UPDATE

l. Trees need to be trimmed off of our town signs that need it. We have so many signs. If someone sees a sign that needs a tree trimmed away from it, we can let Frank know so it can be attended to. UPDATE –FB post?

m. Pete Spaulding reached out to Hali regarding the Crab Apple tree on German St. He feels it's the incorrect tree for the location. Update—this has small persistent red fruit – good for the location per James.

n. Bob Hanna – Forrester – can order trees specifically for our area. He needs 3 choices. James suggested a Sugar Maple, Wildfire Black Gum, and a Winter King Hawthorn. UPDATE
